TINANCIAL

TO BANKERS AND INVESTORS—
Under the provision of an act of the last legislature municipal bonds are exempt from taxation. This makes these securities most desirable for investment of bank surplus and individual savings as these securities are absolutely safe.

We can furnish on call in amounts desired \$86,000 county bonds to earn about 5 per cent; \$60,000 city bonds, same rates and terms; \$0,000 township bonds, same rates and terms. This is better interest and greater safety than savings bank deposits. Write us.

committee.

On motion of Councilman Hughes the chief of police was instructed to weigh the wagons belonging to the Barnum & Balley circus and see that they were accord with the ordinance covering the hauling of londed wagons over the streets of the city of Topeka.

The following resolution presented by Councilman Kutz was referred to the police committee:

minimum salary for patrolmen of the police department \$60, and the maximum \$70."

Bids being presented for the construction of a drain on Locust street from Sixth street to Fourth street, Councilmen Blakely, Horn and Tandy were appointed as tellers to open the bids, and after a canvass of the bids was made the tellers submitted the following report:

"Your committee of tellers appointed to open the bids for the construction of a drain on Locust street, from Sixth street to Fourth street, emptying into the Shunganunga, beg leave to report that Walton Gilmore's bid, being the only bid made, and his bid being \$89.50, which is below the city engineer's estimate, we recommend that the contract be awarded to Walton W. Gilmore." On motion of Councilman Montgomery the report of the tellers was adopted.

The following resolution presented by Councilman Stanley was, on his own motion, adopted:

"To the Mayor and City Council:

"Whereas, The streets and alleys included within sewer district No. 25. Sixth ward, are not in the condition which they were before said sewer was built, and,

"Whereas. The sewer contractors are under bond to place the streets and alleys in such condition, and that the said contractors be requested to place all the streets and alleys in such condition, and that the said contractors be requested to place all the streets and alleys in such condition, and that the said contractors be requested to place all the streets and alleys in said sewer district No. 25, which was torn up or left in bad condition by the construction of said sewer, in proper condition, and that the city clerk inform said contractors of this action. Also that the street commissioner decide when such work is completed." Councilman Montgomery presented the following resolution, and on his own motion, it was adopted:

"Whereas, It appears from a careful investigation that the city of Topeka has been overcharked between seven and sight thousand dollars for solid rock excavation in the estimates prepared by the city engineer, James F.

construction of the Fifth ward sewer,
and,
"Whereas, It is absolutely necessary to
secure accurate evidence of such overcharge for use in the prosecution of the
suits directed to be brought by the mayor
and council, and to get such evidence it
is necessary to take a careful set of borings and make a number of excavations
along the line of the trenches where rock
was encountered in the construction of
said sewer;
"Therefore, Be It Resolved, By the
Mayor and Council of the City of Topeka,
that the mayor be and is hereby directed
to employ such necessary labor and push
the investigation of these overcharges to
a speedy conclusion.
The following resolution was presented

a speedy conclusion."
The following resolution was presented by Councilman Holliday and on his own

The following resolution was presented by Councilman Holliday and on his own motion, adopted:

"Resolved. That the Mayor be and is hereby anothorized to enter into contract on behalf of the city with Walton W. Gilmore for the construction of a drain on Locust street, from Sixth street to Fourth street, for the purpose of draining Biddle creek in accordance with the proposal of said Walton W. Gilmore, heretofore accepted by the mayor and connell and work to be completed by Dec. 1, 1907."

On motion of Councilman Hughes, which prevailed by the following, the chief of police and street commissioner were directed to route the Barnum & Balley circus over unpaved streets as far as practicable: Ayes-Blakely, Holliday, Horn, Howard, Hughes, Jordan and Stanley-7, Noes-Kutz, Lannan, Montgomery and

Tandy - Absent Van Ness-1.

The following resolution presented by Councilman Hughes was adopted on his own motion:

"Resolved, That the city clerk be and is hereby directed to notify W. E. Sterns that if the Barnum & Belley circus makes an exhibition in the Metaker tract so as to evade the city ordinances regulating circuses, then the Mataker tract will be taken into the city at the next meeting of the council.

No further business appearing council adjourned.
